We are dedicated to supporting you through all aspects of funeral arrangement,
helping you to plan a unique and special commemoration of your loved one.

As members of the National Association of Funeral Directors (N.A.F.D.), we adhere to the
N.A.F.D. code of practice as recommended by the Office of Fair Trading.

Tudor

Best quality crafted in the traditional way, a solid oak as shown above or mahogany coffin shown below, with butt jointed, upright ends, with feature panelled sides and double raised lid. Shown here fitted with Oscar bar handles, this coffin can be fitted with handles suitable for burial or cremation.

Regency

Best quality crafted in the traditional way, a solid oak, as shown above or mahogany coffin, as shown below, with butt jointed, upright ends. Oak Regency shown here fitted with three pairs of brass effect metal (300/7) handles, end rings and corner clips. Mahogany Regency shown here fitted with three pairs of brass effect metal (300/7) handles, and a cross motif fitting. This coffin can be fitted with handles suitable for burial or cremation.

Georgian

Similar in style to our Tudor range, this range offers superior oak, above or mahogany, shown below, veneered coffins with pressed panelled sides and double raised lid. These coffins are shown fitted with three pairs of Oscar bar style handles. The mahogany coffin below is also shown with stylish corner clips and end rings. This coffin is suitable for burial or cremation.

Victorian

A traditionally shaped superior mahogany veneered coffin. The above coffin is shown fitted with three pairs of brass effect (300/7) handles and cross, whilst the coffin below is shown with three pairs of Hereford brass effect handles and Hereford T bar ends. This coffin is suitable for burial or cremation.

Windsor

The classic style of our Windsor oak veneered range makes these coffins one of our most frequently chosen. The coffin above is fitted with three pairs of brass effect handles whilst the coffin below is fitted with three pairs of Hereford nickel effect handles. These coffins are suitable for burial or cremation.

Windsor

The classic style of our Windsor oak veneered range makes these coffins one of our most frequently chosen styles. Shown above with three pairs of solid oak ring handles and a cross motif. Shown below with three pairs of solid oak ring handles. This coffin is suitable for burial or cremation.

Windsor

The classic style of our Windsor oak veneered range makes these coffins one of our most frequently chosen styles. The coffin above is fitted with three pairs of Hereford brass effect handles whilst the coffin below is fitted with three pairs of Hereford nickel effect handles. These coffins are suitable for burial or cremation.

Windsor Oak Effect (not pictured)

These cost-effective oak effect coffins are made to a high standard using an engineered wood framework laminated with wood effect paper. Suitable for cremation or burial, they offer a combination of classic oak style and economy.

Alternative Options

'Traditional' Wooden Picture Coffins

Wooden picture coffins are always a popular choice. Approved for burial and cremation and at most natural burial grounds, these are sourced from FSC-accredited companies using wood from sustainable sources. The designs are printed onto an environmentally-friendly paper wrap, which is then applied by hand to ensure the highest level of quality and craftsmanship. You can choose from a vast array of designs or even create your own using favourite photographs or drawings. These coffins are suitable for cremation or burial.

Please ask for details.

Cardboard Coffins

Our 100% recycled cardboard coffins are the perfect solution for families looking for a greener funeral option. Available in a wide range of colour options, ranging from plain brown or white through to stunning multi-coloured, patterns or pictures, all designs are printed and applied to the coffin on a biodegradable material wrap. Ultra-strong thanks to their honeycomb-style construction, these picture coffins combine high quality with unique and beautiful style. These coffins are suitable for cremation or burial.

Alternative Options

Willow / Wicker

Entirely biodegradable, wicker coffins are made of woven bamboo, willow, seagrass or other natural materials. They can be made in a wide variety of styles, including traditional shapes and 'oval' forms with rounded ends.

A range of colours can also be achieved, and the coffins can be personalised using bands of different materials or garlands of flowers and greenery. These coffins are suitable for burial or cremation.

Woollen Coffins

Wool is a fibre with true 'green' credentials in that it is both sustainable and fully biodegradable. Our range of woollen coffins feature a pure new wool outer, supported on a strong cardboard frame.

The inside is lined with cotton and edged with jute. Coloured stitching can be added and each comes with an embroidered name plate. These coffins are suitable for burial or cremation.

Shrouds

Suitable for burial only as cremation in a shroud is not yet permissible in our local crematoria, a shroud can be made of felt, bamboo fibre or simply cotton.

Designs vary, but will feature a solid wooden, bamboo or willow base to provide stability with a cloth covering the body. Designs can be customised and embellished according to your wishes.

Please ask for further details and more designs.

Caskets

We offer a comprehensive range of solid oak or mahogany caskets for the burial of cremated remains.

Cotswold

Woollen Caskets

Malvern –
Oak or Mahogany

Warwick –
Oak or Mahogany
